Public Service Commission of South Carolina  
Att: Docketing Dept.  
P.O. Drawer 11649  
Columbia, SC 29211

March 1, 2010

This letter is being written to protest the proposed rate increase for SCE&G in Docket #2009-489-E.

South Carolina residents such as ourselves who are on a fixed income have enough problems meeting our monthly bills without having them increase every year.

We respectfully request that SCE&G tighten their own belts and improve their bottom line by being more efficient instead of simply raising their rates.

Sincerely,

Henry and Barbara Stephenson
